BOARD OF DIRECTORS

SUMMARY

Acting in the best interest of the IDIBC membership, the Board of Directors is responsible for the governance of the organization. The Board sets in place bylaws, policies, procedures, values, and long-term planning to meet the mission and vision of the organization.

CRITERIA

Serving on the Board of Directors is suitable for RID members that have demonstrated leadership skills, are recognized and well-respected in the industry, and wish to gain Board experience. Meetings will be held virtually to support an IDIBC mandate to promote diverse representation from regions across BC.

ROLE & RESPONSIBILITIES (up to 8 hours/mo)

Under advisement from the Committees, the Board of Directors will attend to:

- the mission, vision, and values
- the strategic and financial health of the organization
- governance and regulation
- bylaws including code of ethics and professional conduct, policies and procedures
- admission requirements
- member rights and privileges
- member competency and practice standards
- professional development
- complaints and discipline procedures

Board members participate in reviewing the Strategic Plan that will be updated annually. Board members may also choose a Committee they wish to foster in an advisory capacity. As leaders from different design sectors, Board members may also reach out to their respective sectors and media and attend industry events as distinguished representatives of the IDIBC.
