

**CALL FOR NOMINATIONS ■ COMMITTEE CHAIRS**

The IDIBC is seeking nominations for Committee Chairs for a 2-year period from June 2021 to May 2023 and is committed to promoting diverse representation from regions across BC!

**Advance your career and our profession by chairing a committee**

If you would like to be considered for a Committee Chair position, please complete the form below and submit the requested documents to [volunteer.chair@idibc.org](mailto:volunteer.chair@idibc.org) by **Friday, May 14**. Summaries for each committee, Chair criteria, general responsibilities and time commitment can be found on page 2.

The new committee structure below features many of the existing committees, and new initiatives, such as Diversity & Inclusion and Climate Action & Innovation:

<b>Government Regulation &amp; Policy</b>	<b>Public Confidence &amp; Protection</b>	<b>Member Advancement</b>	<b>Organization Success</b>

Recent volunteer experience (up to 50 words)		
Affiliations		
Location (BC region)		
Availability (hours/month)		
Statement on what you can bring to a Committee (up to 50 words)		

## COMMITTEE CHAIRS

### SUMMARIES

#### Government Regulation & Policy

The primary objective of this committee is to protect the public's interest through government regulation and a legislated professional status for Registered Interior Designers (RIDs). The revised approach, seeking designation of IDIBC as a professional regulatory body under the newly formed Professional Governance Act (PGA) will align RIDs with other building-related professions in BC. The committee will work collaboratively with the Office of the Superintendent of Professional Governance (OSPG) to ensure that RIDs are highly qualified interior design professionals who maintain the best interests of the public and environment.

#### Public Recognition

Building public confidence and awareness that RIDs are trusted design professionals that promote the public's interest of health, safety and wellness. A key objective of this committee will be advancing the public's education and increasing the transparency of the professional commitments mandated for RIDs including: a code of ethics and professional conduct, practice standards, allied professional partnerships, design excellence and communicating initiatives such as climate action and innovation.

#### Member Advancement

Working to advance the profession of Interior Design, this committee's core objective will be to support all levels of our membership to uphold a highly qualified and engaged profession. Advancing education and mentorship opportunities, improving professional development, implementing practice guidance/standards, and integrating diversity, equity, and inclusion into the organization.

#### Organization Success

The IDIBC operations committee oversees Institute processes and performance. The committee will help manage volunteer recruitment, membership activities, and other regulatory functions essential to organizational success.

Communicating with allied organizations to promote advocacy focused initiatives and provincial alignment will be key components as the committee looks to lead and execute the Board approved IDIBC Strategic Plan objectives.

### CRITERIA

Serving as a Committee Chair is suitable for RID and Intern members who have demonstrated management skills, would like to gain industry recognition, and wish to build upon their leadership skills to eventually join the IDIBC Board of Directors. Meetings will be held virtually to support an IDIBC mandate to promote diverse representation from regions across BC.

#### ROLE & RESPONSIBILITIES (up to 8 hours/mo)

The new committee structure creates 4 umbrella committees each with a number of Chairs to collectively implement programs and initiatives essential to members and the organization. Committee Chairs will:

- implement an annual workplan, considering the objectives and strategies outlined in the strategic plan
- develop and manage an annual budget considering the workplan
- coordinate with other Chairs in the umbrella committee
- meet and coordinate with volunteers in your committee
- provide monthly meeting minutes and quarterly reports to the Board of Directors

Roles and responsibilities, based on interest and suitability, will be provided when Committees meet.
