

IDIBC POLICY & PROCEDURE BULLETIN: CEU REPORTING REQUIREMENTS & PENALTIES

Definitions

CEU: continuing education unit. 1 CEU = a minimum of 1 hour of activity.

Approved CEU or IDCEC approved CEU: refers to a CEU that is approved by IDCEC

Non-approved CEU or non-IDCEC approved CEU: refers to a CEU that was not approved by IDCEC but may still be logged to fulfill a member's CEU requirements.

PD cycle: professional development cycle of 3 years during which members must log their prescribed number of CEUs. **The current PD cycle is Jan. 1, 2022 to Dec. 31, 2024.**

1.0 OBTAINING AN IDCEC IDENTIFICATION NUMBER

Upon acceptance of membership to IDIBC, each Intern and Registered member will automatically be enrolled in the IDCEC database and receive by mail a personal IDCEC identification number. This number provides access to the IDCEC online recording system. This process starts once the member has been deemed to be in good standing but it can be several months before your identification number is issued.

Upon receiving your membership welcome letter you will also be contacted by IDCEC with an IDCEC identification number. This number is automatically generated through monthly IDIBC member updates provided to IDCEC. If you do not receive your IDCEC number within 2 months of joining IDIBC, please contact info@idibc.org. Don't register for a number on-line as you will be charged – this option is only for people who are not members of IDIBC or ASID or IIDA.

You can participate in CEU activities prior to receiving your identification number but be sure to keep the proof of attendance so you can upload it and report the CEUs when your number arrives.

2.0 MAINTENANCE OF MEMBERSHIP STATUS

2.1 Surplus CEUs

IDCEC approved CEUs can be used to top up other categories (for both Intern and Registered members.)

Surplus IDCEC CEUs can top up non-approved CEUs.

For example: If an RID has 4 IDCEC approved HSW CEUs, 4 non-approved HSW, 20 IDCEC general CEUs and 2 non-approved general CEUs, they can use 5 IDCEC approved CEUs to top up non-approved general CEUs to 7.

2.2 Registered and Intern Members

Registered Members shall accumulate a minimum of 30 CEUs per PD cycle. Of those, 10 must be IDCEC approved CEUs. The remaining 20 CEUs required can be non-IDCEC approved CEUs. Ten must be Health, Safety and Welfare (HSW) CEUs (either IDCEC approved or non-IDCEC approved). See 2.1 Surplus CEUs.

IDCEC approved	10 hours
Non-IDCEC approved	20 hours
<i>(HSW – IDCEC or non-IDCEC)</i>	<i>10 hours)</i>
Total hours needed	30 hours

2.3 Non-Practicing Educator Members

Intern Members shall accumulate a minimum of 20 CEUs per PD cycle. Of those, 5 must be IDCEC approved CEUs. A maximum of 15 can be non-IDCEC approved CEUs. Five CEUs must be Health, Safety and Welfare (HSW) CEUs (either IDCEC approved or non-IDCEC approved). See 2.1 Surplus CEUs

IDCEC approved	5 hours
Non-IDCEC approved	15 hours
<i>(HSW – IDCEC or non-IDCEC)</i>	<i>10 hours)</i>
Total hours needed	20 hours

2.3 Inactive Members

Registered or Intern members who become Inactive for a period of time during a PD cycle will not be required to accumulate CEUs during their first 12 months of inactive status. The total CEU requirements for the PD cycle for which the member was inactive will be pro-rated for 1 year (or less if the member returns to active status in less than 6 months). Upon returning to active Registered or Intern membership status, a member can contact IDIBC Admin for an updated record of their revised CEU requirement for the current PD cycle.

Registered and Intern members must declare inactive status with IDIBC prior to inactivity period to be eligible for pro-rated CEU hours.
